

GUEST SPEAKER:

Carmen Ene **CEO, 3stepIT and BNP Paribas 3 Step IT**

As CEO of 3stepIT and BNP Paribas 3 Step IT, Carmen is focused on one single objective: to take care of the world's technology by helping businesses to manage IT more sustainably.

Since 2015, Carmen has made it her mission to work with businesses across Europe to tackle the issue of corporate e-waste, with the two companies preventing more than half a million IT devices from being dumped or destroyed every year.

In 2019, she led 3stepIT's joint venture with BNP Paribas Leasing Solutions, the strategic alliance which now provides sustainable technology lifecycle management services in France, UK, Italy, Belgium, Netherlands and Germany, with further market openings planned over the next 12 months.

Carmen also has more than 20-years' worth of experience working in international IT and Finance, having held several positions at IBM including Vice President of Global Financing in Northeast Europe and Vice President of Enterprise in the Global Business Services.

MODERATOR

Kathleen Naglee

Head of the International School of Helsinki

Kathleen Naglee is currently the Head of School at the International School of Helsinki and is an educational advisor, executive coach and keynote speaker. She serves as the Chair of the Central and Eastern European Schools Association (CEESA) and is a Commissioner for the New England Association of Schools and Colleges.

Kathleen is passionate about promoting leadership, diversity, and well-being. She is an active speaker in her community and looks for ways to empower others to enact change in their lives and communities. In 2016, she started the Aspire Program to train women towards becoming future CEOs. Her transformational process leads women to identify and articulate their vision in a way that others will hear.
